# Capped with service

Superior service is about refinement, perfection, innovation, ability to adapt and style. Most importantly, it is about meeting these high standards with no fuss.

As South Africa's largest metal and plastic closures manufacturer, Nampak Closures has a well established and proven track record of delivering professional service.

We are supported by Nampak R&D, widely regarded as one of the most advanced packaging science and technology facilities in the southern hemisphere and have access to cross divisional packaging technology, expertise, market trends and knowledge.

Our range of proudly South African screw caps, backed up by our superior personal service, are designed to give your wine a perfect sense of style that appeals to even the most sophisticated connoisseur.

# BOSMAN ADAMA

WINGERDSTOKKE • PLANTVERBETERING

**Die Bosman familie** is reeds vir generasies verbind tot die kweek van uitsoekgehalte wingerdstokke. 'n Langtermyn toewydig tot die benutting van die beste kwaliteit plantmateriaal leef tot vandag toe voort.

**Die Adama Werkerstrust** het reeds vir 'n dekade 'n belang in die kwekery, so word die kuns van wingerdstokke kweek ook by werknemers en hul families gekoester. 'n Gevoel van eienaarskap en trots vestig 'n kultuur van kwaliteit wat altyd voortleef en gehandhaaf word.

**Ons naam verander** wel van Lelienfontein Wingerdkwekers na Bosman Adama, maar ons kundigheid en kwaliteit nie. Profesionele diens en kliënte verhoudings bly ons prioriteit.
