JOE PUBLIC FOUNDER ON BUILDING A WINNING BUSINESS

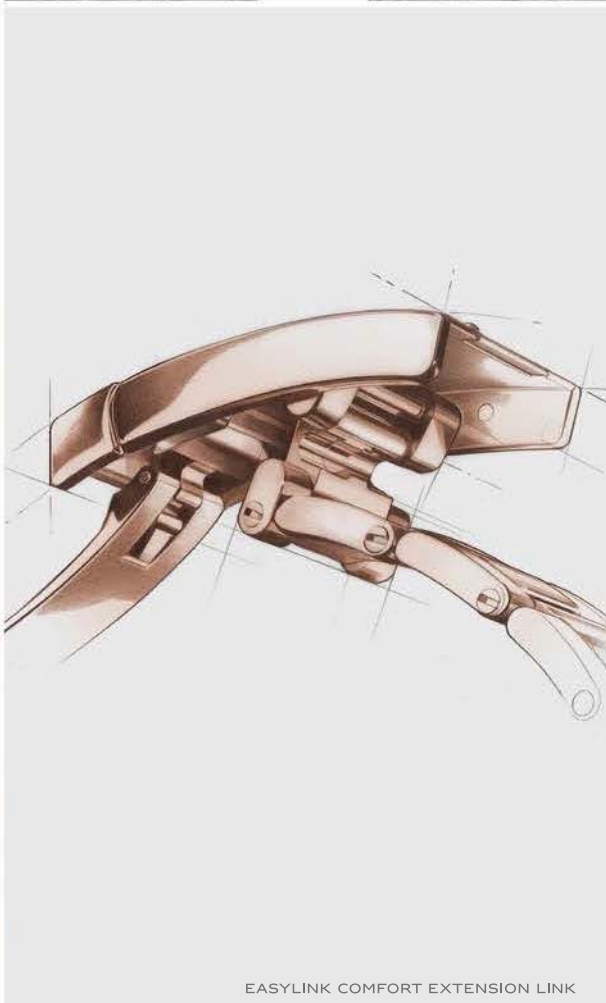

RING COMMAND BEZEL

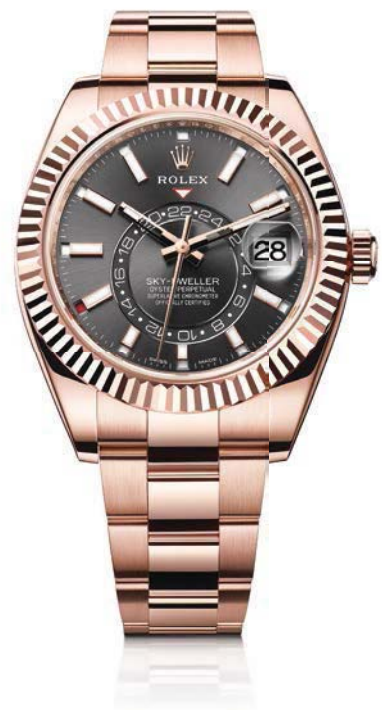

SAROS
ANNUAL CALENDAR

THIS WATCH IS A WITNESS TO MECHANICAL INGENUITY.

The most sophisticated Rolex model, the Sky-Dweller is a witness to watchmaking ingenuity. Built the Rolex Way, its Saros annual calendar intelligently distinguishes between 30- and 31-day months. A perfect travel companion, its 24-hour off-centre disc on the dial always points to the time at home, while the hour hand can be easily set to display a second time zone. The Ring Command bezel allows the wearer to set the different functions quickly and securely. A cutting-edge mechanical performance resulting from centuries of tradition. It doesn't just tell time. It tells history.
